Private Dining

Drinking & Dining

Private Dining:

Tigerlily Private Dining Area (up to 16 people)

The private dining area in Tigerlily is situated off the main bar & restaurant, next to the open fire & hidden behind chainmail curtains. The private dining room fits 16 & is suited to dining events for private parties or more formal occasions, when you need some privacy but still want to enjoy the atmosphere. There is no hire charge for the private dining area - advance booking necessary.

Drinks parties

There are 3 main areas which can be reserved for drinks parties:

Georgian Lounge (up to 30 people)

The Georgian Lounge can accommodate up to 30 guests. It is a great space for smaller gatherings as it includes opulent sofas & a flickering fireplace to add to the cosy ambience. Although it is within arms reach of the bar, there will always be a friendly member of our team on hand to cater to your every whim & ensure you don't have to lift a finger.

West Courtyard (up to 40 people)

This is the ideal area to sit & watch the world go by. Set off the main bar, the West Courtyard provides comfortable rattan seating & low tables which can be reserved for groups of 6 or more to sit in peace. Set in the middle of the two bars in Tigerlily, the West Courtyard is a perfect space for a post work get together or mini celebration.

Rear Low Tables (up to 50 people)

This area is the largest area within Tigerlily. It can accommodate up to 50 for a drinks reception. It is also the closest to the action as it is set in the middle of the bar, so you can watch the hustle & bustle of one of George Street's busiest bars. It includes low seating to rest your weary limbs after a hard day at the office & exclusive access to one side of the bar - being served has never been so easy!

Testimonials

Our impressive client list includes KPMG, AEGON, MTV, Vivienne Westwood for Edinburgh Fashion Week, Moët Hennessey, Google and Microsoft, so with their seal of approval now all we need is yours.

The nature of my job has me travelling around the country year round, and as a result, hotels have started to all look the same - except Tigerlily. Tigerlily is the hotel I look forward to staying at most. Everything, from the friendly welcome to the amazing rooms and five star food, is what makes the stay stand out. I could not recommend the hotel enough and already look forward to my next visit!

Matthew O'Donohoe for Aubin and Wills

3rdparty have used the exceptional team at Tigerlily and Rick's for a wide variety of events. When we are planning bespoke entertainment for our most demanding and rigorous corporate clients and their guests, we know that the Montpeliers staff will ensure that their expectations are met, and exceeded. Theirs is a professional approach with a personal touch - friendly, flexible, with superb knowledge of their roles, and the ability to translate great ideas into memorable first impressions, and long lasting memories.

It is no coincidence that we, and our clients, return so frequently; rather it is thanks to their unerring high standards, and desire to offer the very best service possible time after time.'

Frazer McGlinchey for 3rd Party

I do just want to say that we were well taken care of by your staff on Friday night. All of our guests remarked and how faultless the staff were and how utterly impeccable the service was. It really made for a perfect night on top of the great food. So thank you, and thanks to your staff, especially to GT (I think), he looked after us at each step, kept me up-to-date with where we were and made sure that all of our guests were looked after and catered for.

Black Light

Just a short note to thank you for assisting with the organisation of our EuMA November event. I did not know you had left or I would have thanked you personally last week Tuesday.

The serving staff were brilliant and extremely helpful. They were great and answered my thousands of questions, we were very well looked after by our waitress, please pass on our thanks to her as well as the waiter who served us the welcome drinks. Also our compliments to the chef, the dinner far exceeded our expectations.

Thanks again. I hope we can work together again sometime in the future.

Kind regards

Pamela Blattner

Just a quick email to thank you for looking after us this week. My whole team loved our meeting room, hotel rooms and the general atmosphere in Tigerlily.

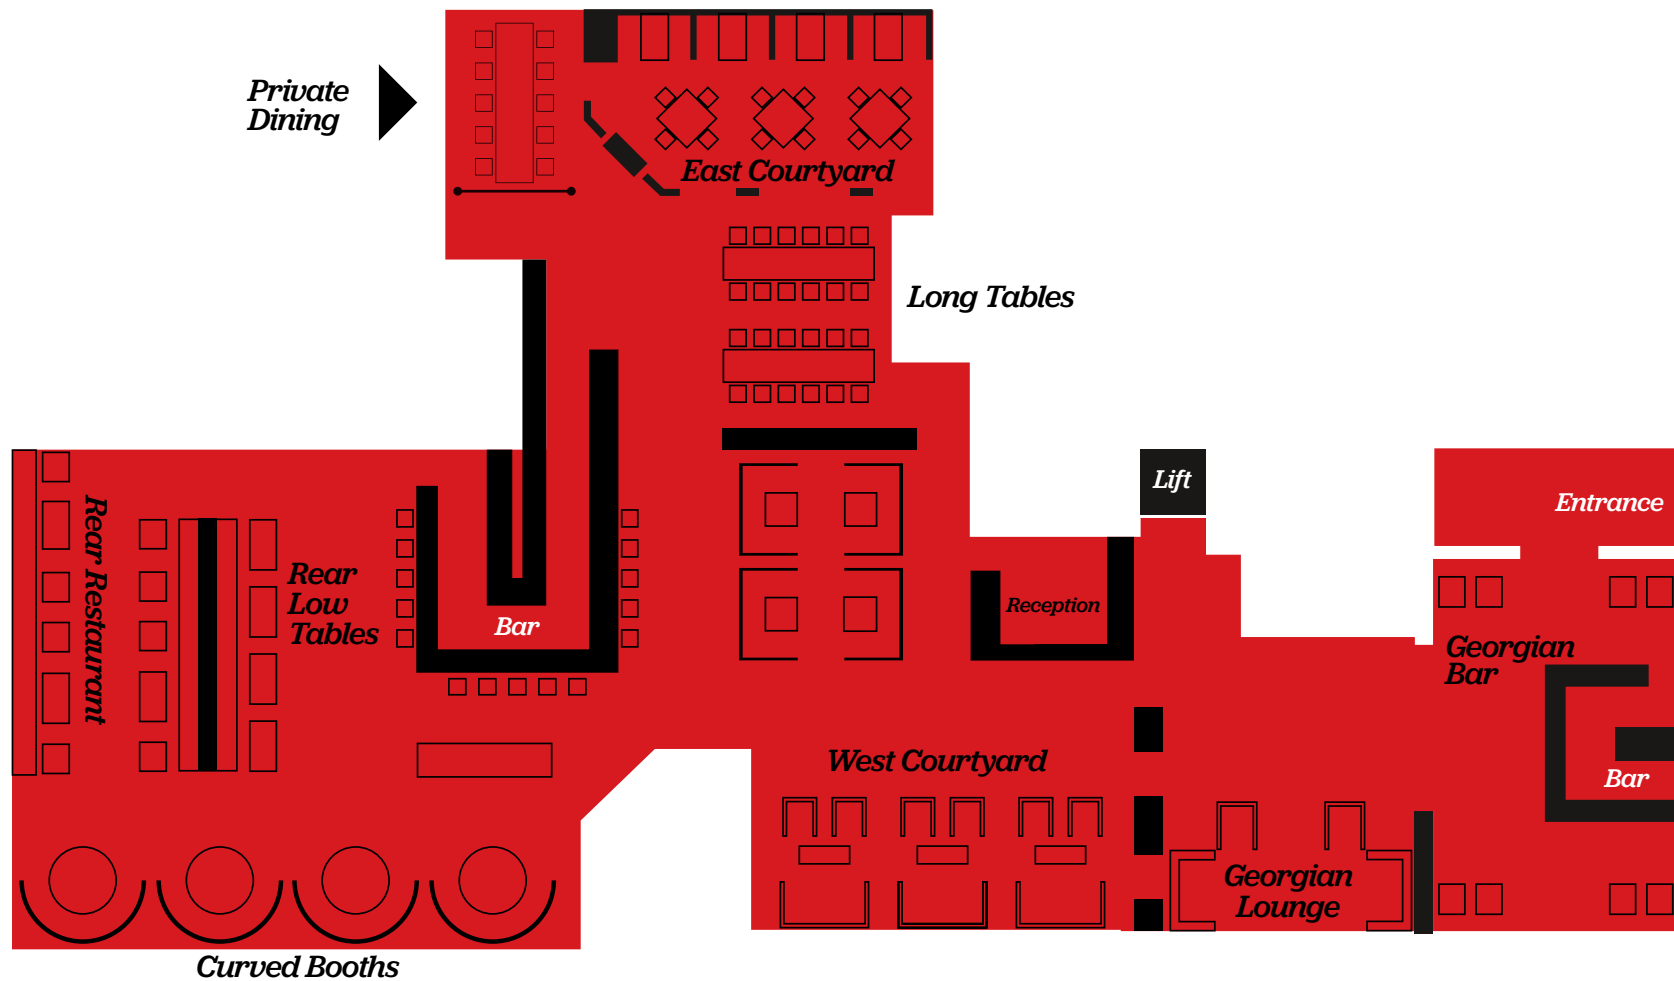

The quality of the food and the way your staff looked after us was the icing on the cake!
