TIGERLILY GIN

TANGERINE SAGE & HONEY GIN

This hand-crafted gin is instilled with indigenous British botanicals and honey, lovingly cultivated at the Secret Garden in the Scottish countryside, home to our own Tigerlily hive, where the bees roam freely among over 600 herb and flower species.

Lemon Verbena adds a citrus note, which sits under keynotes of Tangerine Sage, to which we add a few drops of honey, creating a truly unforgettable gin.

Paired perfectly with Fever-Tree Tonic water.

- 20cl Bottle / 50cl Bottle 12 / 30
